Statements of Cash Flows	6
Notes to Financial Statements	7

#### **Independent Auditor's Report**

Board of Directors
National Aviary in Pittsburgh, Inc.

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of the National Aviary in Pittsburgh, Inc., (Aviary), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Aviary as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Aviary, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aviary's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors National Aviary in Pittsburgh, Inc. Independent Auditor's Report Page 2

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Aviary's internal control. Accordingly, no such opinion
  is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aviary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Maher Duessel

Pittsburgh, Pennsylvania May 20, 2024

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

#### 1. Organization

The National Aviary in Pittsburgh, Inc. (Aviary) is a non-profit organization with the expressed purpose to protect and provide for endangered species, to conduct avian research and provide information as a national resource, to provide a recreational and educational experience for the general public, and to promote an appreciation of natural law and a responsibility for wildlife conservation. The Aviary received approximately 16% and 17% of its annual operating budget from the Allegheny Regional Asset District for the years ended December 31, 2023 and 2022, respectively.

### 2. Summary of Significant Accounting Policies

#### **Basis of Presentation**

The Aviary classifies its net assets and its revenue, support, and expenses based on the existence or absence of donor-imposed restrictions. Net assets with donor restrictions result from contributions specifically restricted by donors for various programs, future periods, or perpetuity. Net assets without donor restrictions represent resources over which the Board of Directors has discretionary control.

#### **Contributions and Donor Stipulations**

The Aviary reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statements of activities as net assets released from restrictions.

#### Revenue and Revenue Recognition

The Aviary recognizes revenue from admissions, merchandise sales, rentals, and education programs at the time of sale or services provided. Membership dues, which are non-refundable, are recognized ratably over the period of the membership.

Contributions are recognized when cash, securities, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return,

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

are not recognized until the conditions on which they depend have been substantially met. The Aviary had three conditional contributions totaling \$847,000 at December 31, 2023 and two conditional contributions in the amount of \$815,000 at December 31, 2022.

Support that is restricted by the donor is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time period has elapsed, or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### **Grants and Accounts Receivable**

Grants receivable represent amounts awarded by donors and government agencies that have not been received. Management has determined these amounts to be fully collectible. The grants receivable balance as of December 31, 2023 and 2022 was \$257,500 and \$473,000, respectively.

Receivables from contracts with customers are reported as other receivables, net any allowance. Management has considered factors impacting the need for an allowance given historical experience and current conditions, as well as reasonable and supportable forecasts, and has determined that any allowance computed would be immaterial to the financial statements at December 31, 2023 and 2022. The other receivables beginning balance as of January 1, 2023 and 2022 was \$51,679 and \$26,657, respectively. The other receivables ending balance as of December 31, 2023 and 2022 was \$62,870 and \$51,679, respectively.

Unconditional promises to give that are expected to be collected within one year are recognized at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. At December 31, 2023 and 2022, there were no material discounts to be recognized.

#### Cash, Cash Equivalents, and Restricted Cash

The Aviary considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. Restricted cash at December 31, 2023 and 2022 includes funds that have been restricted by donors for specific Aviary programs,

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

initiatives or projects. Total cash, cash equivalents, and restricted cash consisted of the following as of December 31, 2023 and 2022:

	 2023	 2022
Cash and cash equivalents Restricted cash	\$ 763,819 1,520,253	\$ 1,227,703 489,942
	\$ 2,284,072	\$ 1,717,645

#### **Functional Allocation of Expenses**

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, and amortization which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, professional services, office expenses, information technology, interest, insurance, and other, which are allocated on the basis of estimates of time and effort.

#### Income Taxes

The Aviary is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and annually files a Return of Organization Exempt from Income Tax (Form 990) with the IRS. However, income from certain activities not directly related to the Aviary's tax-exempt purpose is subject to taxation as unrelated business income and is reported annually on the Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. In addition, the Aviary qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 170(b)(1)(A)(vi).

At December 31, 2023, the Aviary had 2017 and prior net operating loss carry-forwards resulting from its unrelated business activities of approximately \$592,000, which may be applied against taxable income in future years. The net operating loss carry-forwards expire at various dates beginning in 2026. In addition, the Aviary had post-2017 net operating loss carry-forwards applicable to its unrelated business activities. A valuation allowance has been recorded to offset the resulting deferred tax asset due to the uncertainty of the future use of these net operating losses.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

#### Concentration of Credit Risk

The Aviary only maintains cash balances with financial institutions having a high credit quality. At times, such cash balances may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limit. The solvency of financial institutions is monitored and is not a concern of management at this time.

#### **Liquidity and Availability**

The Aviary manages its liquid resources by focusing on both fundraising efforts and products and services that generate earned revenue to ensure the entity has adequate cash flow to cover the programs that are being conducted. The Aviary prepares very detailed budgets and has been very active in monitoring costs to ensure the entity remains liquid.

As discussed in Note 11, the Aviary maintains a line of credit to assist in meeting cash needs if they experience a lag between the receipt of contributions and grants and the payment of costs.

The following reflects the Aviary's financial assets (cash and cash equivalents, receivables, and investments) as of December 31, 2023 and 2022 expected to be available within one year to meet the cash needs for general ongoing operational expenditures:

	2023		2022
Financial assets, at year-end  Less those unavailable for general expenditures within one year, due to:	\$ 8,084,873	\$	6,719,903
Contractual or donor-imposed restrictions:  Donor restricted for purpose, or those unavailable			
within one year	(686,495)		(185,000)
Investments held in perpetuity	(5,241,428)		(4,278,093)
Investments held for future contractual purpose	(64,003)		(34,486)
Financial assets available to meet cash needs for general expenditures within one year	\$ 2,092,947	\$	2,222,324
		_	

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

#### **Living Collection**

The Aviary maintains and exhibits a significant collection of birds and horticulture. The value of this collection is not included in the statements of financial position because a reasonable valuation basis and life expectancy cannot be determined. Collection items acquired either through purchases, breeding programs, or donation are not capitalized. Purchases of collection items are recorded as decreases in net assets without donor restrictions if purchased with assets without donor restrictions and as decreases in net assets with donor restrictions if purchased with donor-restricted assets. Contributions of collection items are not recognized in the statements of activities. Proceeds from deaccessions or insurance recoveries are reflected in the statements of activities based on the absence or existence and nature of donor-imposed restrictions. Proceeds from the living collection are rare; however, if they were obtained, they would be used for direct care of the collection (i.e., veterinary bills and animal food). During the years ended December 31, 2023 and 2022, the Aviary spent \$25,453 and \$4,285, respectively, to enhance its living collection, and there were no material deaccessions in either 2023 or 2022. These amounts are included with program services in the statements of activities.

#### **Property and Equipment**

Property and equipment are recorded at cost. Provision for depreciation is based upon the estimated useful lives of the respective assets and is computed using the straight-line method. Ordinary repairs, maintenance, renewals, and replacements are charged against income as incurred. Those expenditures which improve or extend the useful life of existing assets are capitalized. The Aviary capitalizes all new assets with a cost of \$1,000 or more. and useful life of five years or more. Estimated useful lives are as follows:

Leasehold improvements 10 to 20 years Furnishings and equipment 5 to 10 years

#### **Impairment of Long-Lived Assets**

Long-lived assets are reviewed for impairment when circumstances indicate the carrying value of an asset may not be recoverable. For assets that are to be held and used, impairment is recognized when the estimated undiscounted cash flows associated with the asset or group of assets is less than their carrying value. If impairment exists, an adjustment is made to write the asset down to its fair value, and a loss is recorded as the difference between the carrying value and fair value. Fair values are determined based on quoted market values, discounted cash flows, or internal and external appraisals, as applicable.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

Assets to be disposed of are carried at the lower of carrying value or estimated net realizable value. There were no indicators of asset impairment during the years ended December 31, 2023 or 2022.

#### <u>Leases</u>

The Aviary determines if an arrangement is or contains a lease at inception. All leases are recorded on the statements of financial position except for leases with an initial term less than 12 months, for which the Aviary made the short-term lease election and those that are clearly immaterial. Operating lease right-of-use assets (ROU) and lease liabilities are recognized at the lease commencement date based on the present value of the lease payments over the lease term. ROU assets would also include adjustments related to lease payments made and lease incentives received at or before the commencement date. At lease commencement, lease liabilities are recognized based on the present value of the remaining lease payments and discounted using the rate stated for the lease or an acceptable alternative rate if the lease rate is not disclosed. Operating lease cost would be recognized on a straight-line basis over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Aviary will exercise that option. The Aviary had no material operating leases for the years ending December 31, 2023 and 2022.

For the years ended December 31, 2023 and 2022, the Aviary had two finance leases, formerly known as a capital lease. Finance lease ROU assets continue to be included in Property, plant, and equipment, net, and the related liabilities are included as finance lease liabilities in the statements of financial position.

#### **Contributed Nonfinancial Assets**

Contributed nonfinancial assets include donated property, donated equipment, and other in-kind contributions which are recorded at their estimated fair values at the date of donation (Note 12). Contributed nonfinancial assets are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. In addition to contribute nonfinancial assets, volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates, and such differences could be material.

#### Fair Value Measurement

The Aviary measures its investments at fair value on a recurring basis in accordance with accounting principles generally accepted in the United States of America. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that the authoritative guidance establishes for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement.

The levels of fair value hierarchy are as follows:

- Level 1 Fair value is based on unadjusted quoted prices in active markets for identical assets or liabilities. These generally provide the most reliable evidence and are used to measure fair value whenever available.
- Level 2 Fair value is based on significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the same term of the asset or liability through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other market-corroborated inputs.
- Level 3 Fair value is based on significant unobservable inputs. Examples of valuation methodologies that would result in Level 3 classification include option pricing models, discounted cash flows, and other similar techniques.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

The Aviary, using available market information and appropriate valuation methodologies, has determined the estimated fair value of its investments. However, considerable judgment is required in interpreting data to develop the estimates of fair value.

#### **Inventories**

Inventories, primarily program-related gift shop merchandise held for sale, are stated at the lower of cost or market, determined on a first-in, first-out basis.

#### <u>Investments</u>

Investments are carried at fair value and consist primarily of equity and fixed income mutual funds. Gains and investment income are recognized in the period earned and are classified as without donor restrictions or with donor restrictions with respect to the stipulations established by the donor at the date of donation and applicable state law. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that a change in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the financial statements and accompanying notes. The Aviary mitigates this risk by actively managing its investments through the Finance Committee of the Board of Directors.

#### Contingencies

Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Aviary, but which will only be resolved when one or more future events occur or fail to occur. The Aviary's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Aviary or unasserted claims that may result in such proceedings, the Aviary's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Aviary's financial statements. If the assessment indicates that a potentially material loss contingency is not probable, but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

Loss contingencies considered remote are generally not disclosed unless they involve guarantees, in which case the guarantees would be disclosed.

#### Taxes Collected from Customers and Remitted to Governmental Authorities

The Aviary's policy is to present taxes collected from customers and remitted to governmental authorities on a net basis. The Aviary records the amounts collected as a current liability and relieves such liability upon remittance to the taxing authority without impacting revenues or expenses.

#### **Adopted Accounting Standards**

ASU 2016-13, "Allowance for Credit Losses (Topic 326)." In June 2016, the FASB issued guidance (FASB ASC 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Aviary that are subject to the guidance in FASB ASC 326 were trade accounts receivable. The Aviary adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

#### **Pending Accounting Standards Updates**

The Financial Accounting Standards Board (FASB) has issued Accounting Standards Updates (individually and collectively, ASU) that will become effective in future years as outlined below. Management has not yet determined the impact of this update on the financial statements.

ASU 2023-09 "Income Taxes (Topic 740): Improvements to Income Tax Disclosures," is effective for fiscal years beginning after December 15, 2025 for entities other than public business entities. The amendments in this update improve tax related disclosures primarily related to the rate reconciliation and income taxes paid information.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

#### **Subsequent Events**

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

#### 3. Net Assets

Net assets with donor restrictions consisted of the following at December 31:

	2023 2022		
Capital projects	\$ 189,166	\$	80,905
Program restricted	315,724		286,431
Time restricted	145,500		53,000
Endowments (Note 6)	5,416,428		4,443,093
	\$ 6,066,818	\$	4,863,429

### 4. Property and Equipment

Property and equipment consisted of the following at December 31, 2023 and 2022:

	2023	2022
Furnishings	\$ 1,112,221	\$ 775,304
Office equipment	1,233,629	1,208,050
Mechanical equipment	4,227,038	4,103,291
Leasehold improvements	29,060,086	25,988,165
Right-of-use asset - finance lease	66,839	66,839
Less accumulated depreciation	35,699,813	32,141,649
and amortization	20,289,352	18,645,284
Construction in progress	15,410,461	13,496,365
Construction in progress	 476,397	 3,081,329
Total	\$ 15,886,858	\$ 16,577,694

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

Depreciation and amortization expense was \$1,644,068 and \$1,480,465, including amortization related to finance leases in the amount of \$13,253 and \$13,253 for the years ended December 31, 2023 and 2022, respectively. Material construction in progress at December 31, 2023 and 2022 relates to the ongoing security upgrade project and the Wetlands exhibit renovation project, respectively.

#### 5. Leases

As a lessee, the Aviary leases equipment for administrative purposes under financing leases expiring at various dates through 2026.

	 2023	2022
Finance lease cost:  Amortization of right-of-use assets Interest on lease liabilities  Total finance lease cost	\$ 13,253 807 14,060	\$ 13,254 1,185 14,439
	14,000	14,433
Supplemental cash flow information related to leases: Financing cash flows from finance leases	13,156	12,888
Supplemental balance sheet information related to leases:		
ROU assets	66,839	66,839
Accumulated depreciation	(39,196)	(25,943)
	\$ 27,643	\$ 40,896
Lease liabilities	\$ 27,582	\$ 40,738
Weighted average remaining lease term:	2.9 years	3.1 years
Weighted average discount rate:	2.40%	2.23%
Lease maturity table:		
Years Ending December 31,		
2024	\$ 12,286	
2025	11,424	
2026	 3,872	
Total	\$ 27,582	
Current portion	\$ 12,286	
Long-term portion	15,296	
Total	\$ 27,582	

### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

#### 6. Investments and Fair Value Measurements

The fair value and cost basis of investments at December 31, 2023 and 2022 were as follows:

		20	23		2022									
	(	Cost Basis		Cost Basis		Cost Basis Fair V		Fair Value		Fair Value Co		Cost Basis		Fair Value
Money market funds Mutual funds	\$	561,175 4,445,955	\$	561,175 4,919,256	\$	52,701 4,696,513	\$	52,701 4,424,878						
	\$	5,007,130	\$	5,480,431	\$	4,749,214	\$	4,477,579						

Fair values of assets measured on a recurring basis at December 31, 2023 are as follows:

	Total Level 1		Level 2		Level 3		
Money market funds	\$ 561,175	\$	561,175	\$	-	\$	-
Mutual funds:							
Alternative funds	370,984		370,984		-		-

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for investments. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money Market Funds - Valued at amortized cost, which approximates fair value.

Mutual Funds – Valued at the quoted net asset value of shares held by the Aviary at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Aviary believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

#### 7. Endowments and Restricted Reserve

Endowments consist of four permanent investment funds and one restricted reserve fund. The African Grey Parrot Endowment Fund is subject to permanent restriction of the principal and requires that the earnings be utilized for the maintenance of the African Grey Parrots. The Capital Endowment Fund is subject to permanent restriction of the principal and requires that the earnings be utilized for maintenance of Phase I capital construction. The Avian Conservation Endowment Fund is subject to permanent restriction of the principal and allows up to 5% of the annual value to be utilized to fund the salary and related expenses of the Conservation Department. This funding is contingent upon satisfaction of the terms and conditions of the Avian Conservation Endowment Fund Agreement (Agreement). All expenses funded by the Avian Conservation Endowment Fund must represent costs for activities agreed upon per the terms and conditions of the Agreement. Earnings are typically reported as investment income with donor restrictions and are released from restriction as the specific purpose is satisfied.

In 2018, the Aviary received an investment of \$1,500,000 to be used to fund an Audience Development Fund. The purpose of this fund is to provide the Aviary with access to capital that could be immediately used for opportunities to grow its audience such as investments in exhibits, technology, or programs. \$1,000,000 is a permanently restricted endowment in which the Aviary may draw 5% annually with the following provisions: If the endowment falls below 75% of its corpus value due to withdrawals or decline in market conditions, no funds may be withdrawn until such time that the endowment balance is restored to 75% or more of its corpus value. In November 2022, the Aviary withdrew \$50,000 from the Audience Development Endowment, which was invested in the Wetlands Habitat Renovation Project.

The remaining \$500,000 of the Audience Development Fund is not a permanent endowment but rather is a restricted reserve in which the Aviary may withdraw 100% of the funds with the following provisions: Requests for approval will include a plan for replenishment. The Aviary's goal is to replenish all funds withdrawn within five years or less. If draws from the reserve cannot be repaid within a five-year period from derived sources, the permanently restricted endowment portion of the Audience Development Fund will be frozen until such time the Restricted Reserve is repaid in full. Annual withdrawals of 5% from the permanently restricted endowment can be used to repay the restricted reserve.

In 2020, \$500,000, the reserve's initial investment balance, was withdrawn and invested in the Garden Room Construction Project that greatly enhanced the Aviary's ability to expand

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

educational and facility rental offerings to its customers. In February 2022, the Aviary replenished the full \$500,000 amount drawn in 2020 for the Garden Room Project.

In June 2022, the Aviary withdrew \$500,000 from the reserve and invested the funds in the Wetlands Habitat Renovation Project. In November 2023, the Aviary replenished the full \$500,000 amount drawn in 2022 for the Wetlands Project.

As of December 31, 2023 and 2022, the balance of the Audience Development Reserve was \$513,582 and \$9,967, respectively.

As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The endowment funds consisted of the following at December 31, 2023:

	Original			
	Gift Value			Fair Value
Permanent Endowments:				
Avian Conservation Endowment Fund	\$	4,000,000	\$	3,769,963
African Grey Parrot Endowment Fund		25,500		35,377
Capital Endowment Fund	50,000			60,497
Audience Development Endowment		1,000,000		1,037,009
Total Permanent Endowments		5,075,500		4,902,846
Audience Development Reserve		500,000		513,582
Total Endowment Funds	\$	5,575,500	\$	5,416,428

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

The endowment funds consisted of the following at December 31, 2022:

	 Original Gift Value	Fair Value			
Permanent Endowments:					
Avian Conservation Endowment Fund	\$ 4,000,000	\$	3,445,790		
African Grey Parrot Endowment Fund	25,500		31,367		
Capital Endowment Fund	50,000		56,095		
Audience Development Endowment	 1,000,000		899,874		
Total Permanent Endowments	5,075,500		4,433,126		
Audience Development Reserve	500,000		9,967		
Total Endowment Funds	\$ 5,575,500	\$	4,443,093		

From time to time, permanent endowment funds may have fair values less than the amount required to be maintained by donors or law (underwater endowments). The Aviary has a policy that permits spending from underwater permanent endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations. The Avian Conservation Endowment Funds was below the original corpus gift of \$4,000,000 by \$230,037 and \$554,210 as of December 31, 2023 and 2022, respectively, mainly due to market conditions and allowed draws taken. The underwater position of the Avian Conservation Endowment Fund greatly decreased in 2023 due to strong investment returns. As of December 31, 2022, the Audience Development Endowment Funds were below the original corpus gift of \$1,000,000 by \$100,126 due to allowed draws taken as well as market conditions at December 31, 2022. Due to strong market conditions during 2023, the Audience Development Endowment Funds exceeded corpus as of December 31, 2023. All other funds exceeded corpus as of December 31, 2023.

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

The Aviary is governed by the Commonwealth of Pennsylvania's Act 141. Act 141 is a total return policy that allows a non-profit to treat a percentage of the average market value of the endowment's investments as income each year. In accordance with Act 141, the Aviary has adopted a written investment policy specifically related to the endowment funds. The primary objectives of the investment policy include preservation of capital by aiming to obtain at least 5% return on investments net of all costs while meeting as much of the Aviary's operating fund requirements as possible. Allocation of the investments will be overseen by the Finance Committee with target ranges as follows:

	Range
Type of security:	
Equity - domestic	40 - 70%
Fixed income	30 - 60%
Alternative investments	0 - 20%
Cash	0 - 5%

The changes in endowment net assets as of December 31, 2023 are as follows:

	Without	Donor	٧	Vith Donor

### 8. Investment Income (Loss)

As of December 31, 2023 and 2022, investment income (loss) consisted of the following:

	2023				2022			
	Without Donor		Wi	th Donor	Without Donor Restrictions		With Donor	
	Res	strictions	Restrictions				Re	estrictions
Interest and dividends:								
Interest income	\$	25,732	\$	-	\$	4,254	\$	-
Dividend income		7,017		84,075		665		82,057
Total	\$	32,749	\$	84,075	\$	4,919	\$	82,057
Net realized and unrealized gains (losses):								
Realized gains (losses)	\$	-	\$	(180,702)	\$	235	\$	72,645
Unrealized gains (losses)				734,961		(6,405)	_	(989,308)
Total	\$	-	\$	554,259	\$	(6,170)	\$	(916,663)

Expenses related to investment revenues, including custodial fees and investment advisory fees, amounted to \$39,023 and \$38,076 in 2023 and 2022, respectively, and have been netted against income to produce net investment income (loss) presented above.

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

#### 9. Deferred Revenue

Deferred revenue consists of admissions and rental fees received in advance of the period to which they relate, as well as contract liabilities related to memberships. Beginning and ending deferred revenue balances consisted of the following for the years ending December 31, 2023 and 2022:

	As of Ja	nuary 1,	As of December 31,			
	2023	2022	2023	2022		
Admissions	\$ 106,523	\$ 132,984	\$ 104,667	\$ 106,523		
Memberships	184,071	186,926	210,552	184,071		
Facility rentals	368,037	316,203	372,686	368,037		
Total Deferred Revenue	\$ 658,631	\$ 636,113	\$ 687,905	\$ 658,631		

The following table provides information about significant changes in the contract liabilities related to memberships for the years ended December 31, 2023 and 2022:

	_	2023	2022		
Deferred memberships, beginning of year Revenue recognized that was included in deferred	\$	184,071	\$	186,926	
memberships at the beginning of the year Increase in deferred memberships due to cash		(184,071)		(186,926)	
received during the period		210,552		184,071	
Deferred memberships, end of year	\$	210,552	\$	184,071	

#### 10. Debt

In 2020, the Aviary secured a \$750,000 36-month term loan that was used, as necessary, for the Garden Room Project. The balance of the loan was \$0 and \$0 at December 31, 2023 and 2022, respectively with the loan balance fully repaid in 2022. This vehicle allowed the Aviary to smoothly complete the project in the desired time frame while awaiting contributions to be paid over time. The interest rate charged on any draws mirrored the line of credit interest rate as discussed in Note 11.

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

#### 11. Line of Credit

The Aviary has in place an \$850,000 revolving line of credit with Dollar Bank. The interest rate to be charged for withdrawals on the line would equal the Prime Rate of the bank less  $\frac{1}{2}$ % at the date of the transaction. No borrowings or repayments were made during 2023 and 2022. The outstanding balance as of both December 31, 2023 and 2022 was \$0.

#### 12. Contributed Nonfinancial Assets

For the years ended December 31, 2023 and 2022, contributed nonfinancial assets recognized within the statements of activities included:

	2023	 2022
Building and equipment	\$ 165,000	\$ 190,000
Animal care supplies	100	-
Advertising	118,311	146,590
Fundraiser donations	25,789	37,126
Miscellaneous	1,850	1,340
Total	\$ 311,050	\$ 375,056

The Aviary recognized contributed nonfinancial assets within revenue, including its building and certain equipment, advertising, fundraiser and other donations. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

The Aviary leases its building under a non-cancelable operating lease with the City of Pittsburgh for an annual rental of \$1, which expired on June 30, 2021. The renewal of a new 29-year lease was stalled, largely due to COVID-19. Both the City of Pittsburgh and the Aviary agreed to continue working under the terms of the expired lease on a month-to-month basis while a new lease is constructed. The Aviary is responsible for capital improvements to the building, which it has capitalized, and the maintenance of the facilities. The estimated value of these donated facilities is \$165,000 per year and is included as support and revenue under contributed nonfinancial assets and as expense in the statements of activities.

Contributed animal care supplies are recognized as in-kind revenues at their estimated fair value at the time of the donation based on retail value. Contributed animal care supplies

#### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2023 AND 2022

recognized comprise various animal care products such as animal food and tubes for bird enrichment.

Contributed advertising services are used to promote various Aviary programs and fundraisers and are recognized as in-kind revenues if they create or enhance nonfinancial assets or they require specialized skills that would need to be purchased if they were not donated. Contributed advertising services are valued and reported at the estimated fair value in the financial statements based on current rates for similar services.

The Aviary receives various in-kind donations including food, beverages, and prizes for its fundraisers. Contributed fundraiser donations are recognized as in-kind revenues at their estimated fair value at the time of the donation based on retail value.

#### 13. Retirement Plan

The Aviary has in place a retirement plan qualified under Section 403(b) of the Internal Revenue Code. Employees can make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code. The Aviary matches employee contributions 100% up to a maximum of 3% of gross wages for each employee.

In 2021, a 457(b) retirement plan was established to supplement executive compensation. A catch-up provision was included in 2021 retroactive to 2013 for eligible executives participating in this plan. Annually, the Aviary's maximum contribution to the 457(b) plan for eligible executives is 3% of gross wages.

Aviary contributions under all plans in place were \$120,762 and \$107,644, respectively, for the years ended December 31, 2023 and 2022.

### 14. Allegheny Regional Asset District Grant

The Aviary has had an agreement with the Allegheny Regional Asset District (ARAD), which provided annual operating grants to the Aviary based on regional sales tax collections since 1995. The agreement was amended most recently in 2019 to extend the term through December 31, 2024. The amounts received and recognized as revenue in 2023 and 2022 for operating grants were \$1,410,342 and \$1,356,098, respectively. Additionally, ARAD awarded capital grants of \$252,000 and \$565,000 in 2023 and 2022, respectively. Capital grants are recorded as a conditional promise to give until eligible project spending is

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

completed. At that time, the award is recorded as revenue with donor restriction and released once ARAD has received and approved all required submitted documents related to project completion from the Aviary. The amount of ARAD approved and reimbursed eligible capital grant project spending was \$0 and \$750,000, respectively, for 2023 and 2022. Awarded capital projects for 2023 are expected to be completed with payments submitted to ARAD for approval during the first half of 2024.

#### 15. Special Events

The Aviary holds special events throughout the year to raise funds in support of its various mission-driven programs including conservation, education, and veterinary. During the years ended December 31, 2023 and 2022, gross revenues generated from these events of \$547,108 and \$515,518, respectively, and expenses of \$203,796 and \$200,567, respectively, are included on the statements of activities.

### 16. COVID-19 Relief Programs

In 2021, the Aviary received a Shuttered Venue Operators Grant for \$903,823. The program was established by the Economic Aid to Hard-Hit Small Businesses, Nonprofits and Venues Act, which was part of the Consolidated Appropriations Act, 2021. The U.S. Small Business Administration (SBA) is responsible for the administration of the program. Due to the existence of certain conditional performance requirements, the grant was recorded as a refundable advance in 2021 and not recognized as revenue. In 2022, the Aviary satisfactorily fulfilled all performance-based conditions, resulting in the refundable advance liability being converted into grant revenue.

### 17. Pennsylvania Redevelopment Assistance Capital Program (RACP)

The Aviary received notification from RACP on October 26, 2022 that the State of Pennsylvania authorized release of \$500,000 to be used for the construction of a new veterinary hospital. The correspondence served as written notification authorizing the preparation and submission to the Office of Budget a formal Redevelopment Assistance application for the project. The Urban Redevelopment Authority (URA) will serve as the official applicant and grantee with the Aviary serving as a sub-grantee. In 2023, a formal proposal was submitted and approved. Funds will be reimbursed to the Aviary once actual

#### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

construction begins and costs are incurred. Reimbursable capital grants are recorded as a conditional promise to give until eligible project spending is completed.

# 18. Pennsylvania Commonwealth Financing Authority Arts and Culture COVID-19 Recovery Program Grant

The Aviary received notification from the Pennsylvania Department of Community and Economic Development on December 21, 2023 that a grant of \$95,000 had been awarded to the Aviary to be used for the establishment and marketing of new programs to mitigate negative economic impacts of the pandemic as part of the Aviary's recovery efforts. The grant is a reimbursable grant subject to DCED review and approval of eligible costs incurred between December 19, 2023 and June 30, 2026. Reimbursable grants are recorded as a conditional promise to give until eligible project spending is completed.
